Subject: Saltworks site visit

The site visit has been tentatively set for the afternoon of Weds, September 30. A follow-up meeting is tentatively set for the next morning, Oct. 1. Sylvia will participate in both.

Rob, can you confirm whether James or other appropriate contractor staff can attend the site visit?

Jason, do you want to participate in the site visit?

Are both of you available for the Thurs morning meeting?

Thanks,
Brett
